I don't think you understand the requirements imposed on you by section 6253.1(a)(1) of CPRA, or you understand but don't care to comply. Nevertheless, now that you've had your fun with word games, can you please send me copies of all contracts between Devine Strategies and either of the South Park BIDs. Or, to be specific, between Devine Strategies and either of the South Park POAs? Or else make them available for inspection on Monday, July 17 at a time of your choosing at 1 p.m. or earlier?

Thanks for your cheerful assistance.
